POSITION OVERVIEW:

This position is responsible for providing a full range of care/service management functions and service authorizations for aging and/or people with disabilities, family members, and/or community supports. This position performs the full range of duties, including: assess & evaluate the need for the Oregon Project Independence Program, Options Counseling, Support Groups, Respite Care, and other community resources. This position will work with the participant to develop and implement an action/service plan, assist in determining service options, and assist with gaining access to a variety of long-term care and social services. Services are targeted to individuals who may have ongoing long-term care needs or short-term support to navigate complex public service eligibility requirements, transition between care settings and/or establish a plan for self-support. These services are administrated throughout Umatilla and Morrow Counties.

ESSENTIAL JOB FUNCTIONS:

An employee in this position may be called upon to do any or all of the following essential functions. These examples do not include all of the duties which the employee may be expected to perform. Other duties, responsibilities and activities may change or be assigned at any time with or without notice. To perform this job successfully, an individual must be able to perform each essential function satisfactorily with or without reasonable accommodation.

1. Conduct home visits with aging and/or disabled adults to assess their Activities of Daily Living (ADLs) and Instrumental Activities of Daily Living (IADLs). Interview individuals to evaluate care and current support needs. Recommend services to be provided, and coordinate in-home services to promote independence and safety.

2. Actively provide Person-Centered Options Counseling sessions for clients with AAA Staff and their family, or community support to assist clients with developing and implementing their own plan of action. Follow up is expected to assess whether additional options are necessary.
3. Provide service coordination for adults with chronic or acute age related or physical disabilities which limit independence; determine eligibility for services; develop a care plan to prevent premature institutionalization through provision of in-home services; coordinate referrals with partnering agencies and monitor client progress.
4. Prepare service plans to meet the needs of aging and disabled adults. Describe agency and financial options to clients and families. Determine financial eligibility and propriety of service; guide client and family through agency procedures.
5. Work with other agencies, family members, and community organization to coordinate effective service provision to clients. Facilitate the development of community partnerships to promote services for clients or their families that do not currently exist or accommodate the specific identified needs.
6. Monitor client progress and independence through regular staffing with care providers; follow-up with clients not in specific programs; provide for additional services if new needs arise.
7. Regular and complete data entry into RTZ and OACCESS systems for outcome tracking (effectiveness of program).
8. Maintain regular contact with clients and provider personnel, and verify service administration. Develop post-hospitalization or post-institutionalization plans in coordination with client, family, staff, and partnering agencies; maintains contact with client on a monthly basis.
9. Prepare reports and provide statistical information. Maintain accurate caseload records of assessments, evaluations, treatment plans, referrals, and follow up reports.
10. Provide information on and referrals to specialty services; arrange for a variety of goods and services including but not limited to respite care, durable medical equipment, nutrition or socialization services.
11. Assist with other Area Agency on Aging programs as needed.
12. Complete all other duties as assigned.

REQUIRED KNOWLEDGE, SKILLS, ABILITIES & MINIMUM QUALIFICATIONS:
