## **UNDERSTANDING AGREEMENT**

I, \_\_\_\_\_, do hereby agree that I have read the following and understand what I have read. I have asked to have anything explained to me that I do not understand.

✓ CAPECO Money Management Program does not automatically become my representative payee without approval from the appropriate government agency. Applications are time sensitive and may not be processed by the government agency for up to 90 days.

✓ I am responsible to contact all of my creditors and inform them of the change of billing address. All bills should be sent to:

CAPECO Money Management  
721 SE 3rd, Ste D  
Pendleton OR 97801

✓ As Representative Payee, CAPECO Money Management Program is in charge of making a determination as to what bills will be paid each month. All of your bills may not be paid each month due to your cash flow.

✓ CAPECO Money Management Program will pay your rent and major utility bills prior to issuing any spending money to you.

✓ Representative Payee Accounts cannot be garnished. If you have judgments against you, any other accounts you have within a bank may be garnished for payment to your creditors.

✓ The bank will not give you information about your Representative Payee Account. That information must come from CAPECO Money Management Program.

✓ You should provide all of your bills and amounts you owe to others to your CAPECO Money Management Program Representative. We are unable to deal with debts that we do not know about.

✓ While on this program, you must agree to stop using all charge cards and charge accounts that you currently have open.

✓ Your government funds are meant to fund your wellbeing. Sharing a home with another individual also requires that they contribute to the rent and utilities. Rent and utilities will be split accordingly (Example: 2 people = 50%, 3 people = 33%, etc).

✓ I have been informed that CAPECO Money Management may charge a monthly service fee of \$ \_\_\_\_\_ if they receive Social Security Benefits on my behalf.

✓ I have read and understand the Social Security Administration's Reporting Responsibilities.

If we determine that we will no longer handle your account, all monies will be returned to the government agency that issued the funds. This is for our protection as well as yours.
